ITINERARY:

Day 1: Depart Port Moresby at 8.45am on PX 180 arriving Mt. Hagen at 9.45am. You will be met on arrival by Paiya Tours, who will take you on a sightseeing tour around Mt. Hagen town, a drive through coffee and tea plantations of the fertile Waghi Valley, and a turn through the magnificent orchid gardens near Haus Poroman Lodge. After lunch (not included) you will be taken to Paiya Cultural Village for some highlands-style entertainment and a demonstration of traditional culture.

Overnight Hotel Poroman (standard room only - pay as you go for meals)

Day 2: The Hotel will transfer you to the airport at 7.30am to check in for Airlink flight ND122 for Wewak, departing 9.15 and arriving Wewak at 10.05. On arrival you'll be met by Mr Wolfy Kalem who will assist you to walk across the road to the beach to board an open speed boat for the 45 minute trip across to Kairiru Island, a verdant tropical paradise which very few visitors have the opportunity to visit. Here you will spend the day touring Wolfy's village, witnessing a display of cultural entertainment on the lawns in front of the Polen Guest House and taking a bushwalk through pristine tropical rainforest. A little more travel by speed boat will take you to the waterfall, the hot springs, coastal caves and the relics of the Japanese outpost from WW2.

Overnight Polen Guest House (basic camp-style accommodation, includes traditional-style meals)

Day 3: Morning speed boat transfer to Wewak to meet up with your chartered vehicle that will take you down the highway to Angoram (3-4 hours travel time). Angoram is a small river town on the Lower Sepik. Here your guide will transfer with you to a motorised canoe. Several kilometres upstream is the confluence of the Sepik and Keram Rivers, where your canoe will turn up the Keram River and motor upstream until you reach the beautiful village of Chimondo. Here there is a cultural centre displaying a variety of local artifacts. Local fruit and cooked foods are available for purchase in the village.

Overnight Chimondo Cultural Centre (village guest house) - includes dinner and breakfast.

Day 4: Spend the morning in Chimondo and then motor further upstream to Kambot Village, the home of the "storyboard". A storyboard is a carved wooden plaque - some of them several metres long - depicting village life and local legends. These are only made in the Keram River area. At Kambot you will visit the Haus Tambaran (men's spirit house) and the Carving Haus where storyboards and a wide range of other artifacts are available for purchase direct from the artisans. You can also spend the day exploring the flora and fauna of the jungle and river habitats, learn to paddle a Sepik canoe and try to catch freshwater fish with a hand line as the locals do. Every day most households engage in the chore of making sago and you can observe or join in with this activity.

Overnight village guest house, Kambot - includes dinner and breakfast.
